The Spanish Lab

You've heard about it, NOW COME TRY IT!

The Spanish Lab is now open!

Are you planning a vacation to a foreign country? Would you like to learn a foreign language? We have NOW SET UP a computer work station at the Learning Center to meet your needs! The language offered is Spanish (Latin America)

We are using Rosetta Stone Software. Rosetta Stone is considered the leading foreign language teaching software.

**IF YOU ARE INTERESTED PLEASE CALL
The Learning Center at 451-3337 or
email us at gctlc@mcleodusa.net to
reserve your own personal time or for
more information.**

**This should be available for the
member and spouse/family member
per policy guidelines.**
